Mr. Karl D. Dodenhoff
2111 Maple Street
N. Dighton, MA 02764

Dear Mr. Dodenhoff:

Thank you for allowing us to use your image of the Soviet Vega Comet probe in our *Space and Earth Science* textbook. I have enclosed the tear sheet where the image appears.

We appreciate your help with this photo need. These images will not only give the students a greater understanding of the subject matter, but will also create an interesting textbook.

Sincerely,

Susan Perry
